

ART DONATIONS FOR THE NEW RONALD MCDONALD HOUSE

ABOUT US:

Hello! My name is Elizabeth Wisner and I am one of the board members for the Ronald McDonald House Charities of South Louisiana. We are currently building a new 22-bedroom house on the campus of Children's Hospital in New Orleans and are seeking to fill it with donated pieces from talented artists like yourself! This project is very near and dear to my heart, as I am a physician at Children's Hospital and also have several artists in my family, including my sister, Sarah (see below!).

Hi! I'm Sarah Lindstedt, Elizabeth's younger sister. I am an artist and designer assisting with curating this new wonderful space. I was a long-time native of New Orleans and recently moved to Greenville, South Carolina. I'll be a facilitator for this project so feel free to send me an email anytime with any comments, questions, or concerns: art@rmhc-sla.org.

ABOUT OUR MISSION:

Ronald McDonald House Charities of South Louisiana (RMHC-SLA) provides a "home away from home" to families of seriously ill or injured children. Our families come from all over the world to receive medical treatment with our innovative and progressive hospital partners and providers. RMHC-SLA also provides programs that give comfort, compassion, and care to children and their families. To learn about our organization, please visit our website: www.rmhc-sla.org

FOR POTENTIAL ARTISTS:

We are seeking donated original paintings or prints. For paintings, please be sure they are varnished with painted edges. Prints do not need to be framed.

THEMES:

- Common living spaces: We are looking for pieces that are inspired by our amazing city of New Orleans (music, parades, etc.) as well as nature-inspired and abstract pieces. These pieces can be bright, whimsical, fun, and energetic.
- Guest rooms: We are looking for pieces with a soothing color palate to create a calm, welcoming environment for families after a long day at the hospital.

Details about the number and space availability for pieces are on next page. Keep in mind that these are suggested sizes based on available wall space and we can accommodate bigger or smaller pieces. If in doubt, please ask!

STEPS TO TAKE IF INTERESTED IN DONATING ART:

1. Send photo of work, dimensions, and medium to art@rmhc-sla.org. Please save as a jpeg or pdf, titled with your last name and title of artwork.

2. Art will need to be acquired by October 15, 2022

3. All contributing artists will be invited to our Grand Opening on **December 8, 2022**. This will be a fun event to showcase your artwork and see our beautiful new home!

Thank you for your consideration!

Sincerely,

Elizabeth and Sarah
